PUBLIC NOTICE of HUALAPAI TRIBAL COURT DECISION

On May 31, 2013, the Tribal Court invalidated the Recalls of Candida Hunter and Charles Vaughn and ordered that they be reinstated to the Tribal Council for the remainder of their terms. The Hualapai Election Board appealed the Tribal Courts Orders. On September 11, 2013, the Hualapai Court of Appeals reversed the Tribal Court Orders, upheld the validity of the recall elections and removed Ms. Hunter and Mr. Vaughn from the Tribal Council. The Election Board is holding a Special Election to fill the vacancies created by the recalls on October 12, 2013.

Copies of the Court of Appeals Decision and Order are available for review.

SPECIAL ELECTION CANDIDATE • ROBERT BRAVO, JR.

9-22-13

Dear Hualapai Tribal Members,

Thank you for supporting me on my candidacy to be your next Hualapai Tribal Council Member. It is an honor to be a Council member for our great Hualapai Nation.

During my tenure in business I have had the opportunity to be mentored by many great leaders who have taught me the concept of team work. When you work together it builds strength, continuity and the will to be successful. Because of that, I have been very blessed to be successful during my entire professional career in business. As your Council representative, it will be my job to work with our people and all departments to create a positive and cohesive atmosphere. It will also be my job to review each budget with every Department Manager and the Chief Financial Officer to make sure your departments are adequately funded. Most importantly, my number one priority will be to listen to the voice of our people. Working together we will continue to build what our fore-fathers fought so hard to achieve.

As your Councilman I give you my word it will be my responsibility to work with our Chair, Vice-Chair and other Council members to look out for the best interest of the Hualapai People, our tribal businesses, the Hualapai tribal assets, and the tribes natural resources. I will support all Council decisions and promise to keep you informed.

In closing, I ask for your support to represent our great Nation for the remainder of the term and together we can build a better future for **all** Hualapai Tribal Members.

Please vote for me!

Sincerely,
Robert Bravo Jr.
Hualapai Tribal Member 00000082

SPECIAL ELECTION CANDIDATE • ROBERT BRAVO, JR.

Dear fellow Hualapai members;

If elected a Council Member for the Hualapai Tribe, my commitment to our Tribal Members is to always be upfront and honest, to listen to the people and make good sound decisions that will protect the interest of the Hualapai Members and our sacred lands. Respect does not come with a council position; it is earned by doing the right thing. As a business entrepreneur, I have gained respect because I recognize success is a team effort. Many great Hualapai elders taught me not to forget who we are or where we came from. I know that if elected, I will be judged and questioned by many. My commitment is to the Hualapai Nation as a whole and to you as individual Tribal Members. It is not about my personal feelings; it is about what is best for the tribe. I will not hold grudges or live in the past; I live for the now and the future of our children. I will abide by our Hualapai Tribal Constitution that our forefathers lived by. I will not walk away when things get tough, I give you my word, to step up as a Council Member and defend our right to build a better future for the Hualapai people.

Sincerely,

Robert Bravo, Jr., Member # 00000082 of the Hualapai Tribe

SPECIAL ELECTION CANDIDATE • VIVIAN PARKER

I am the daughter of the late Barbara Mukeche and Sam Wong. I am proud to be Hualapai and Chinese.

I am taking this opportunity to run for the Hualapai Tribal Council.

I stand for a woman, who has raised two daughters, Fawn and Chelsea. I have 5 grandchildren and this part of the family continues to live in Washington State. I value family and this is what matters in my journey in life.

I want to be a part of the Tribal Council, to be a part of our Hualapai government that strives to make a difference for all the Hualapai tribal members, whether they live on or off the reservation.

We are at a time in our Hualapai history, where we all need to work together and share our knowledge. I would like a chance to put my education to further use serving in the Tribal Council.

I am a Hualapai teacher here at the Hualapai Training Center. I value education and this is evident through taking Fawn and Chelsea to Washington State to receive 3 degrees. I set a goal for my family when we left Peach Springs back in 1991, to seek out an education and receive the following:

1994	A.A.S.	Northwest Indian College
1997	B.A.	Western WA University
2010	Master's Public Administration/Tribal Governance Evergreen State College	

I have perseverance once I set my mind to reaching goals. I bring these skills to run for the Hualapai Tribal Council:

- *Family - enjoying the role of mother/grandmother, etc.*
- *Seeking truth*
- *Seeking honesty*
- *Sharing of my knowledge*
- *Love for this beautiful land we are blessed with*
- *Education is important*
- *Continue learning from others*
- *Team player to listen and build*

I ask for your vote, October 12, 2013 to have a chance to be part of the Hualapai Tribal Council.

Your vote does count!

Thank you,

Vivian Sue Parker

SPECIAL ELECTION CANDIDATE • MICHAEL J. WHATONAME**MICHAEL J. WHATONAME**

I am asking for your vote to be on the Hualapai Tribal Council. Now more than ever the tribe needs people on the tribal council who will ask questions and represent the people. I am not one who will just sit there lost and confused. I know our issues and I will be assertive and can get the job done.

I feel it is important to not sit back idle, when there are important issues going on that effect our tribe and its future.

For example, the Skywalk legal issue's has been going on for too long. Just last week a Federal Judge ruled against the tribe's sovereign immunity. Why did some past council members get the tribe into such a costly mess?

Instead of paying millions of dollars toward legal fees, tribal members should be receiving per capita payments from the GCRC profits. If elected, I will work hard to get rid of costly lawyer fees and give the money back to the Hualapai people.

Per capita payments should go to tribal members and this is the top issue on my agenda if I should become a council member. I am very familiar with our tribal codes and laws. I am also well versed with the Hualapai Tribal Constitution and its Ordinances.

On Saturday, October 12, 2013, (2) tribal members will be elected to complete two council terms that expire in June 2014. They shall only serve nine months and I am asking for your vote.

Allow me to serve these nine months; and while this is a rather short period, I strongly believe that I can make change for the better. All I ask for is your vote. Vote for change. Vote for Michael J. Whatoname.

Michael J. Whatoname

3. Other Issues Discussed

- Head start Issues – certification of teachers was discussed.

Council agrees that HR to advertise for Director, three (3) teachers and the Education Coordinator.

- Board of Directors Update, Hilda Cooney – new employee handbook that has been in review. It will be implemented 6/01. There is also a new housing application for housing at GCW. Terry provided an update on the infrastructure. The gift shop at the ranch has made a 2300% in sales. MCC has donated 4 previously used classroom buildings. GCW paid \$1. Some will be used for housing. GCW needs to find a way to transport them. GCW is doing master plan for the ranch. Park and ride has been in operation since mid-February; transporting 300 passengers per day; RFP is still out on this service. Suggesting a complaint box for community to address issues. Set up a communications center so that people have a place to write their complaints to. Maybe a customer service number if it can be resolved. Setting up a safety policy. GCW was going to meet with Chief of Police. The safety at the ranch has also been addressed. Safety director came up with a safety plan.

- Ron Quasula has been talking to Wanda Easter. He suggested that the council meetings be raised.

Motions to increase pay from \$150 to \$200 per meeting, regular and special: Ron Quasula

Second: Rudy Clark

Question: Vice-Chairman

Vote: 5 in favor; 1 oppose; 1 not voting; 2 vacant

Ron Quasula would like to see the liaison fees changed at a flat rate. Not per meeting, but per day. Would like to see the documents and bring this back to the table - at a next meeting. Right now it's \$200 per meeting

- Ron Quasula will be dedicating the park to Dallas Quasula Sr. tomorrow at lunch. Council suggests that they all be involved in the dedication during a lunch break.
- Health Board, Chairwoman – no one is participating in the meetings with the Health Board. IHS is saying that no one is attending meetings. Maybe letters need to be written to the members to let them know of the importance of these meetings.
- Process Servers – on Tribal members were sitting at the High School yesterday. They did go

through the process so it was okay. CEO asked if they could get them away from the office. They were also sitting in front of Chair's home waiting for her. Doesn't feel comfortable with them sitting around in different places; not in front of homes, or offices. They can sit on Hwy 66. Chair asked Chief Bradley to have them removed.

- Galanda-Broadman update, Vice-Chairman. They are ready to meet with tribal council in about two weeks.
- Housing issues – There are 2 issues on the agenda; The 20th of May at 8:30am is tentatively scheduled to meet as a housing board to address the issues instead of in the council meeting.
- Community meeting at the multi, Hilda Cooney. An issue was brought up regarding a child that was born in October. The child was enrolled after the moneys were disbursed. This issue can't be changed. As long as the paper work was done before the enrollment cut-off date. Enrollment Committee erred in giving information. Also possibility of dually enrolled members.
- Public Works – in the process of writing up policies and procedures; chair will f/u with Phil Wisely today.

Motion to adjourn: Rudy Clark

Second: Jean Pagilawa

Question: Barney Imus

VIVIAN'S GED CORNER

Vivian's GED Corner

A GED testing schedule has been made by Brenda Hucker, Testing Coordinator at Mohave Community College.

The new schedule will cover the last 3 months of 2013. I remind the community that the GED tests will be re-written starting January 1, 2014.

If you have taken 1 or more test(s), I encourage you to call (928-769-2200) or see me at the Hualapai Training Center to complete the 5 tests which are Science, Social Studies, Math, Writing and Reading.

If you have taken 1 or more test(s) and Choose not to complete all 5, the test(s) you have taken will disappear starting January 1, 2014.

Our community has seen 6 individuals receive their GED!!!! Join this group of individuals in our community, who were successful in their education!

I offer my help so you can finish your studies for a GED test(s). Class is held Monday - Friday 1:00 - 4:00 p.m.

The General Education Diploma (GED) will go through changes starting January 2014.

- All tests will be taken on a computer at Mohave Community College.
- The tests will reflect what a Senior in High School is required to know for graduation.
- The testing fee will increase. At this time, there is no dollar amount to pass on for information.

A student will need to pass the following subjects with a score of at least **410**.

Science
Social Studies
Math
Reading
Writing

With all 5 tests, you need to have an average of **450**.

An example is a student receives the following scores on the 5 tests:

Science	470
Social Studies	460
Math	430
Reading	450
Writing	450

The students' total score equals 2,260. The total 2,260 is divided by 5 tests and the average equals 452.

This shows that each test was passed as the student received over the **410** required for each test and the average is over the 450 for all 5 tests.

Another example that is important:

If a student has passed 3 of the 5 tests and chooses not to continue taking the 2 remaining tests in January

2014, the 3 tests this student passed will disappear AND the student will have to start taking all 5 tests again in 2014.

- If you are an enrolled Hualapai tribal members, the Training Center has funds to pay for the test fee.
- Vivian Parker continues to hold class daily, Monday - Friday from 1:00 p.m. - 4:00 p.m. at the Training Center.
- The Training Center is also open Monday - Thursday from 5:00 p.m. to 6:00 p.m. for help with the GED, online high school or tutoring.

Please call Vivian Parker at 928-769-2200, if you have any questions.
